

2009 Reedy Touring Car Race of Champions

What started out many years ago as Mike Reedy's vision to showcase the top drivers in the world in a format unlike any other ever used in RC racing, has grown to be one of the most anticipated and prestigious R/C races anywhere in the world.

Reedy and Team Associated are proud to announce that the 2009 Reedy Touring Car Race of Champions will return to Speedworld Raceway in Roseville, CA.

The format and schedule for the event will remain as it has for many years:

Thursday, May 21 4 Rounds of Practice by Heat
Friday, May 22 4 Rounds of Practice by Heat
Saturday, May 23 3 Rounds of Qualifying, 4 Invite Rounds
Sunday, May 24 1 Round of Qualifying, Triple A-Mains, 4 Invite Rounds

Invitational, Modified, and 13.5 classes will again be offered this year. And for the first time, the RCGT class has been added to showcase the scale aspect of the R/C racing hobby. This class uses standard touring car chassis with realistic GT style bodies and 17.5. As always, each driver is limited to one class.

Information, including rules, invitational driver listing, entry form, spec tires, etc., will be posted online at www.reedyrace.com.

The entry form can also be downloaded from http://aedownloads.com/press/reedy_tcroc_2009.pdf
